

Continuation of Substance of Interview including description of the general nature of what was discussed: In order to expedite the process of prosecution and in view of possible allowance of claims 33-45, the Examiner called Tim R. Seeley to cancel withdrawn claims 17-23 because they do not include allowable subject matter. The Examiner also suggested that another withdrawn independent claim 24, which includes allowable subject matter, would be allowed if Mr. Seeley files Terminal Disclaimer because of issue of double patenting (with claim 3 of US Pat. 6696848). In response, Tim R. Seeley requested to cancel claims 17-31. Examiner's amendment cancels claims 17-31. .
